Dear Prospective Sponsor,

Thank you for considering a sponsorship with Five14!

Five14 is an art studio, art gallery and non-profit foundation in Dumfries, Virginia with an objective to provide healthy activities, learning workshops, and themed painting sessions to children and adults including the special needs community and seniors

- The art studio provides social group painting sessions to children and adults and event space that can be rented for private functions.
- The art gallery displays and sells art made by local artist.
- The Foundation uses art to support emotional/mental wellness and social isolation prevention.

We are currently looking for companies who would like to advertise on our website and on our tv monitors in the studio during paint sessions.

We are also looking for companies who would like to donate to our nonprofit foundation. Your monetary donation will allow Five14 to offer activities to the community for free.
